The blood of the above families. The blood of the shore families. The blood of the shore families is Membrino Chief, Hamble-tonian Edward Piles. value of the above families. The blood of his trotters is Membrino Chief, Hambletonian, Ethan Allen and Pilot. Jr. Many celebrated trotters trace to one of the above four stablions. Capt. Todhunter has been a breeder of trotters all his life; his father and grand father were also breeders of blooded horses. His family traces to over three-fourths of a century in the business of breeding blooded stock, and the blood of their stock is as good as England or America can boast of. The captain has himself brid some splendid trotters. His farm is about as some splendid trotters. His farm is about as Sateens at 10c, have never before been wide and 44 yards naterial and 44 yards with an ever sold for less than 10 cents, but has 12 feet and 25 cents per pair, equal to any 124 and 25 cents goods ever shown. Twenty-five White Robes (dress) 10 yards, plain material, and 44 yards wide, Embroidery, and 45 yards wide, Embroidery, and 45 yards never been anything sold like it for less than 20 cents.

A Large Assortment of the very best styles and quality in America, Dress Sateens at 10c, have never before been wide and 44 yards naterial and 44 yards and 44 yards nater not only that this interest is not adequately and short-sighted is this policy, when with our spreadid blue grass, good water, and un-surpassed grain fields, we could so easily supplement the farm with a few head of the
